

Let us protect your website in 2011.

Purchase annual hosting with Old City Web Services today and you won't have to pay for hosting again until January 1, 2012.

If your website goes down, who do you call for help? If you hosted your website with us, it would be Don, Kim, Shannon, Bobby or Cecile. We are the familiar voices and faces you talk to every day. No 800 numbers, no outsourcing, just us. Bring your website to our secure servers and in addition to 500mb of storage, 10 e-mail addresses and links on OldCity.com, you'll get the personal touch technology is missing these days.

Let's talk. Call today to move your website hosting to OCWS.
